## TACKLING ANTI SOCIAL BEHAVIOUR IN OUR COMMUNITY

Please find attached issue 26 of our six-monthly updates.

The updates inform you of the interventions used in your area and this one sets out those used between 1 April and 30 September 2021. I also attach details of the number of calls received by your Anti Social Behaviour team during this period.

We are here to help those who suffer from anti social behaviour and our website provides helpful information on anti social behaviour and what can be done to tackle it:  
<http://www2.eastriding.gov.uk/living/crime-and-community-safety/anti-social-behaviour/>

We rely on information that residents pass on and I encourage you to use our website and report anti social behaviour to Humberside Police on 101 or your Anti Social Behaviour team on 01482 396380.

It is always important that we keep our property safe and I have attached a doubled sided guide giving advice on how people can help keep their home secure. As Christmas approaches, there is a tendency for some people to leave empty boxes outside near their wheelie bins. This is an open advert to potential burglars that you have new things, such as a television, in your house. I encourage everyone to ensure that any empty boxes are not left on display outside and are disposed of properly.

We have other crime prevention advice on our website, including how people can apply for a free home security assessment and home security equipment, including fitting, can be found at

Thank you
