In attendance : Mrs Roberts (clerk)

Members of the public: 20+

254.Apologies

Cllr Beal, Shores, Swaby & Ward Cllr Mathieson

255.Declaration of Pecuniary and Non- Pecuniary Interest

Cllrs Bowden, Harold, Hart, Julie Los, Jon Los & Richardson all declared a pecuniary interest in the Woodmansey Village Neighbourhood Plan minuted below in item 259.

256.Minutes of the meeting held on 19th February 2018

Resolved - The minutes of the meeting held on 19/2/18 were accepted and signed by Cllr Harold as a true record.

257.Matters Arising (Not otherwise on the Agenda)

(a) Gate Plate at Southwood Park - The clerk has chased Wicksteed several times, our account manager Mr Tom Burke is now trying to arrange to meet with the council at the site to investigate further.

(b) Facebook Page - Cllr Harold reported that we now 67 followers

258. Community Led Housing

Cllr Harold welcomed Peter Hirschfeld to the meeting and invited him to address the council. Mr Hirschfeld informed the council about the Community Led Housing scheme which is a government initiative to build affordable local homes for local people. As local people know what housing is needed, where they should be built and what they should look like. These are typically small developments usually of ten properties or fewer. They can be for rent, or shared ownership but in some cases they could be available for sale by single ownership. They are safeguarded from the Right to Buy. The process involves 3 phases with funding being available for each phase.

Phase 1 - Establishing a need. Grants of up to £4,000 are available to assist with this phase to use, for example, to visit other developments, money for room hire, training, or housing surveys.

Phase 2 - Feasibility Study. Grants of between £5,000-£40,000 are available for this phase to produce a project plan, locate suitable land, provide technical assistance, etc.

Phase 3 - Building. Monies are available at this stage to buy land buying and build properties. Typically up to 35% of the cost per unit (to a maximum of £50,000) plus an additional 15% in the form of a low interest loan. The rest of the money can be raised from various sources.

These can be part of a Neighbourhood Plan. The application process is very simple and Peter Hirschfeld is available to assist. As plot sizes are small these developments do not have to comply with East Ridings Local Plan.

Cllr Harold thanked Peter Hirschfeld for the very useful information.

259.Woodmansey Neighbourhood Development Plan

Cllr Oliver reported that meeting didn't happen due to bad weather.

260. Anaerobic Digestion Plant Planning Application 15/03894/STPLF

Cllr Harold closed the meeting for public participation

A number of residents were wanting an update on the current status of the Anaerobic Digester project. Cllr Harold read the most recent email response from Matthew Sunman, the planning Officer at East Riding Council regarding condition 4 (Liaison Group) & Condition 15 (Landscaping)

With regard to the Liaison Group, Cllr Jump reported that the main purpose of the liaison group is to ensure a smooth implementation. However, as mentioned previously, the time of the meeting at 10:00am was difficult for many residents. In addition, there were concerns about the lack of an agenda and detailed terms & conditions and whether the meeting would be minuted. Cllr Harold asked the Clerk to request this information from Mr Sunman and to find out whether the meeting could be scheduled at different times and/or allow alternative residents to attend if one of the representatives was not available.

In addition, the lack of a statutory consultee and the unwillingness of the Environmental Agency to be part of the group means that there is no independent expertise available to challenge and or question the developer, or even to know if the project is being implemented as per the planning application.

With regard to the Landscaping condition, the group were baffled about how the revised plans could be considered adequate and asked whether the Landscaping Officer had actually visited the site.

Another change that appears to have been accepted is that the original plan was for the plant to produce electricity to be fed into the National Grid. Now it appears the plant is to produce gas to be fed into the grid. So essentially what has been approved is not actually what is going to be built.

The main concern was that the East Riding Council had allowed conditions to be materially changed without the application having to be resubmitted, ie they had breached their own procedures and policies.

Cllr Harold reopened the meeting

- (a) **Resolved** - In light of Mr Sunman's response to the council's letter the council requested the Clerk to make an official complaint regarding East Riding Council not following its own processes.
- (b) **Resolved** - Cllr Richardson will attend the liaison meeting on 21/3/18. Cllr Jolley will deputise if need be. The clerk will inform Mr Sunman.

261. Planning Application County Farm Long Lane Woodmansey

Cllr Harold closed the meeting to allow for public participation

A number of residents raised concerns regarding:-

- the likelihood of increased noise due to the modified application.
- continued access to maintain water pipes and telephone lines
- the height of the proposed fence obscuring line of sight when entering and exiting Long Lane.
- the style of the fencing not being in keeping with the agricultural environment
- that water pipes have been damaged on two separate occasions.

The applicant was also present, she explained that the fencing is required to enclose the area, making it safer and more secure for the applicant's family as well as providing more privacy for the wedding parties using the venue.

The outside structure would be a small ceremonial canopy used for the marriage service. There would be no amplified noise. So increased noise would be minimal.

Woodmansey Parish Council

Improved signage was to limit people getting lost and cause a nuisance to local residents. She reiterated that they were a responsible couple and trying to be as considerate as possible to their neighbours.

Cllr Harold reopened meeting

The council then considered the application.

262.Planning Applications:

Resolved - Cllr Julie Los proposed the following comments are submitted to East Riding Council. Cllr Jolley seconded. All agreed.

Application

Erection of entrance gates/boundary fence to private access road, free standing pegola to reception entrance, covered freestanding ceremony area and connecting arbor between carpark and reception entranceway (Ref 18/00479/PLF)

Comments

Cllr Bowden proposed that the council strongly object to this planning application. The council support the residents' concerns about the increased noise levels that would be caused by having ceremonies conducted outside. Also, there are concerns about the height and style of the proposed fencing. In particular, the impact on visibility when entering and exiting Long Lane. Cllr Hart seconded. The motion was carried by a majority voted.

Application

- (1) Clairdene 179 Hull Road Woodmansey - Erection of porch, replacement bay windows and installation of 2 rooflights to front, erection of single storey extension to rear following removal of existing conservatory and construction of dormer window with balcony to rear (revised scheme of 17/02362/PLF) (Ref 18/00425/PLF)

Comments

The council support this application subject to there being no objections from the neighbours.

- (3) 88A Hull Road Woodmansey - Erection of single storey dwelling with loft rooms following demolition of existing garage and workshop (Ref 18/00422/PLF)

The council support this application as it will tidy up this area of the community. They do have concerns though about the limited access and their support is conditional on there being no objections from the neighbours.

Woodmansey Parish Council

- | | |
|--|---|
| (4) <u>Swift Group Limited Dunswell Road Cottingham</u> - Erection of modular building for use as canteen/office space, relocation of existing gatehouse, smoking shelter and diesel storage tank, alterations to existing access, gates and boundary wall and erection of fence with landscaping to seal existing access (Ref 18/00367/PLF) | The council support this application subject to there being no objections from the neighbours. There is some concerns about the diesel tank but we understand that this is being addressed by the ward councillors. |
| (5) <u>Manor Farm 36 Thearne Lane Woodmansey</u> - Change of use of existing storage building from agricultural use to storage in connection with agriculture and tourism, Retention of existing open sided storage shed for use in connection with agriculture and tourism and Retention of existing shower/wc block in connection with touring caravan site (Ref 18/00176/PLF) | The council support this application subject to there being no objections from the neighbours. |
| (6) <u>20 Thyme Way Beverley</u> - Erection of single storey extensions to front and rear and conversion of existing garage to additional living accommodation (Ref 18/00688/PLF) | The council support this application subject to there being no objections from the neighbours. |

263. Decisions of the Planning Authority

Resolved - The following decisions of the East Riding of Yorkshire Council were **noted**.

<u>Application</u>	<u>Decision</u>
(1) <u>Rose Croft 95 Hull Road Woodmansey</u> - Erection of a detached garage, two storey extension to front and side, single storey extension to rear following demolition of existing single storey at rear, alterations to existing dwelling and installation of additional openings (AMENDED DESCRIPTION AND PLANS) (Ref 17/03988/PLF)	Approved
(2) <u>10 Queensway Woodmansey</u> - Erection of two storey extension to side, single storey extension with canopy to front and side and erection of detached garage to rear (Ref 18/00129/PLF)	Approved
(3) <u>91 Inglefield Close Beverley</u> - Increase in roof height to existing roof and construction of dormer window to rear (Ref 18/00114/PLF)	Approved

264. Bus Shelters

- (a) Shelter Opposite Wharton Arms - **Resolved** - This has been completed. The Council asked the Clerk to pass on their thanks to Mr Gillyon for doing an excellent job.
- (b) Bus Shelter by Woodmansey Primary School Repairs - **Resolved** - The Clerk reported the urgent repairs had been completed. Cllr Julie Los proposed that the quote for the additional work is approved and Mr Gillyon appointed to do the work. Cllr Jon Los seconded. All agreed.

Several councillors also reported that they had had some very positive feedback regarding the cleanliness of the bus shelters.

265. Footpaths

Scholefield Avenue - **Resolved** - Cllr Bowden reported he had visited the path with John Church, an engineer for the Beverley and North Holderness Internal Drainage Board. It was noted that considering recent weather conditions the path was not too bad, but he was going to discuss the matter with East Riding Council to see if the path could be improved.

266. Play Areas

- (a) Quarterly Maintenance Reports - **Resolved** no items requiring action.
- (b) Monthly Reports - **Resolved** - The only issue on the monthly reports is the worn rope on the rotation spider climbing frame. Mr Gillyon effected a temporary repair as this has now become a potential hazard. The Clerk has requested a quote from Tay Play Ltd (the manufacturers) to get

Woodmansey Parish Council

a permanent fix. Cllr Oliver proposed a budget of £500 so the Clerk can go ahead and get this repaired as soon as possible. Cllr Richardson seconded. All agreed.

- (c) Tree Felling - **Resolved** - The Clerk reported that Landplan have delayed starting the work due to the ground being saturated. The situation will be reviewed in 2 weeks. Cllr Waddington raised concerns about the delay disturbing nesting birds. The Clerk will check with Landplan. Cllr Harold asked that when the date is known that a flyer is sent out to local residents informing them of what is happening and why. The Clerk will organise.
- (d) Deer Park Way - **Resolved** - The Clerk has received a response from Fiona Thompson from East Riding Council (ERC) she is investigating the process for possible adoption and will get back to us.

267.Village Signs

Cllr Waddington reported that he met with Iain Sugdon and visited a number of signs throughout the county. Work is on going and he hopes to have more to report next month.

268.Traffic Speed Signs

The Council discussed the correspondence from a local resident requesting that a Speed Indicator Device (SID) be installed on the Hull Road.

The Council asked the Clerk for an update from the police on the recent ad hoc speeding checks.

269.Grit Bins & White Lines on Long Lane

The Clerk raised these with East Riding Council but has yet to receive a response. She will chase before our next meeting.

270.Rubbish from Housing Development

Resolved - The Council decided in light of the prompt action taken by Barretts this matter can now be closed. The Clerk will let planning enforcement know

271.Defibrillators

Resolved - Cllr Hart proposed that we buy 3 new pairs of electrode packs at a cost of £59.90 each plus shipping. Cllr Hart seconded. All agreed.

272.Humberside Police

The Council **acknowledged** receipt of reports for Beverley Town and Rural for February 2018.

273.Village Task Force Walkabout

Resolved - Cllr Richardson volunteered to attend the walkabout on Thursday 19th July at 9:45am.

274.Risk Register

Resolved - Cllr Jolley proposed that the risk register is approved. Cllr Jon Los seconded. All agreed.

275.Commuted Sums

- (a) Possible Projects - Cllr Oliver reported that we have received support from LeaAnne Wright the strategic approach of having one application to cover multiple site. The plan is to submit an application for £180,000 to cover improvements to King Street, Southwood Park & Deerpark. Separate projects will be investigated to look at acquiring a new park in the parish. Cllr Oliver is investigation issues regarding the land for a new park. Cllr Jolley is working on a project for the War memorial.
- (b) Advertising for Contractors - **Resolved** - Cllr Harold proposed that the Council advertise for quotes from contractors for the playground projects. Cllr Julie Los seconded. All agreed.
- (c) Pedestrian Access to Village Hall - **Resolved** - Cllr Bowden presented a proposal. Cllr Harold asked if this could be submitted to LeaAnne Wright for her consideration, to see if it would be eligible for commuted sums, on the grounds that it would increase the accessibility of the village hall and and the outside space for recreational use.

Woodmansey Parish Council

276. Budget Monitoring

Resolved - The Council acknowledged receipt of the budget monitoring report. The Clerk updated them with some recent changes. This means that at year end the Council will be £9,168.00 underspent.

277.Accounts & Financial Statements

(a) **Resolved** - the March Bank Reconciliation was performed by Cllr Hart. The current bank balance was reported as £55,719.13

(b) Payment of Invoices – **Resolved** – Cllr Hart proposed that the following invoices were approved for payment. Cllr Los seconded. All agreed. It was noted that payment to the Clerk last month was incorrect. An online transfer was made in respect of the incorrect amount of £495.65. It should have been £482.05. £13.60 was overpaid. The Clerk returned this money directly into the Council's bank account as soon as the error was detected.

(c) **Resolved** - The Clerk informed the Council that there was no charge for cancelling the cheque and the Clerk could do this on line. Cllr Harold proposed cancelling cheque 102023 issued to Beverley Round Table on 15/1/18 for £125.04, as the cheque has been lost and re-issuing a new cheque for the same amount. Cllr Julie Loos seconded All agreed.

278.Internal Auditor

Resolved - Cllr Harold proposed to retain last year's auditor, Richard Dixon, as the Council's internal auditor. Cllr Richardson seconded. All agreed.

279.Meetings Of Outside Organisations

(a) Beverley, Molescroft & Woodmansey Joint Meeting - The Clerk reminded councillors that the next meeting will take place on Wednesday 11/4/18 at 5pm in Woodmansey Village Hall. Cllr Oliver gave his apologies. Cllr Waddington asked if the group was making any progress. Cllr Harold reported that she found it hugely positive, particularly with regard to the Youth Coalition. Events have been organised in the area on 24th & 25th March.

(b) Joint Access Forum - no relevant issue raised

(c) Beverley & North Holderness Internal Drainage Board - Cllr Bowden reported that there is ongoing frustration that they are only getting ad hoc contracts which is limiting their option for investment and what can be achieved.

Woodmansey Parish Council

280. Miscellaneous Correspondence

Resolved - The Council acknowledged receipt of listed miscellaneous correspondence in Appendix A. None of the emails needs to be retained and no further actions required.

281. Any Other Business

- (a) Planning Consultation for 18/00532/PLF Beverley Grammar School - The Clerk apologised for failing to add the application on to the agenda. The Clerk has requested an extension, but if this is not forthcoming she will submit standard comments on behalf of Council unless she got feedback to the contrary.
- (b) Facebook Page - the Clerk reported that as she had to have a personal facebook page to set up the page for Woodmansey all the activity on the Woodmansey page was being sent to her personal email account. The clerk was not happy about this and will investigate whether it can be changed. If it cannot she does not want to be an administrator for the page.
- (c) Cottingham Neighbourhood Development Plan - Cllr Jump reported that since its adoption, a recent planning application had been refused as it did not conform to the plan.

282. Next Meeting

The next meeting is on **Monday 16th April 2018** on the rising of the **Annual Parish Meeting** which starts at **7:00 pm**.

283. Confidential Business

Cllr Harold proposed that in view of the confidential nature of the business about to be transacted (in respect of a discussion concerning payments made to past employees) that the press and public be temporarily excluded and they were instructed to withdraw.

284. Outstanding Tax Due

The Clerk reported that the accountant had been very helpful and responsive making the necessary submissions to the revenue and being instrumental in getting the amount owed substantially reduced. The monies will be paid by direct transfer on 21/3/18. The accountant fee is likely to be in the order of £100.

The Council asked the Clerk to contact Mr Smith and request that he repays the Council the owed tax.

Meeting Closed at 9:10pm
