Dear Mrs Roberts

Town & Country Planning Act 1990

Proposal:	Erection of single storey extension to rear
Location:	8 Bramble Hill Beverley East Riding Of Yorkshire HU17 8UZ
Applicant:	Mr Sean Dawson

You wrote to me about the above application, and I confirm that your views were taken into consideration when the application was discussed.

After taking all relevant issues into consideration, the Council has resolved to grant planning permission subject to the following conditions:-

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

This condition is imposed in order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990.

2. The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building.

This condition is imposed because if the external surfaces of the development were to consist of materials which did not match the existing building the development would detract from the appearance of the area.

3. The development hereby permitted shall be carried out in accordance with the following approved plans:

Drawing Numbers:

Existing and Proposed Plans and Elevations (received 27 October 2015)
Proposed Block Plan (received 9 December 2015)

This condition is imposed for the avoidance of doubt and to ensure that the development hereby permitted is carried out in accordance with the approved details in the interests of the character and amenity of the area and the provisions of the development plan.

Please inform me if you require further details or an explanation of this decision.

Yours sincerely

Head of Planning and Development Management
