NOT PROTECTIVELY MARKED

Written by Pc 245 Matthews

Beverley Town Update for March 2016, (NHW)

1. Priority and Actions

Issue: - Anti-social behaviour

Reports have been received from members of the public and Tesco store staff in relation to youths causing annoyance in and around the store. Groups of youths have been congregating in the store entrance area, riding around and leaving bikes in the way, shouting and swearing. Vehicles in the carpark have been acting in an anti-social manner causing annoyance to neighbouring houses. Names of the group/ persons to be obtained, and any anti-social behaviour to be dealt with via the fairway system.

Update:

- Section 59 warnings have been issued to vehicles/ persons after reports of vehicle anti-social behaviour.
- Fairway letters have been sent to those responsible of anti-social behaviour in and around the store.

It has been brought to the community team's attention that bikes are being ridden around the new development and streets in a dangerous and anti-social manner. Work is ongoing in trying to educate and identify these individuals.

2. Priority and Actions

Issue- Shop theft

March has continued to see a high level of shop theft across Beverley. Officers will work on positively identifying offenders, whilst conducting high visibility patrol around the town.

Issue- Graffiti

Beverley has seen an increase in graffiti. Work continues in order to identify persons responsible. A suspect has been identified for one location and enquires are ongoing.

Crime Prevention Advice

Cycles are being stolen from Sheds and garages in the area, it is important to put in place good security to protect your property and possessions. It appears that houses have been identified as having high value bikes, due to vehicles at the address having bike racks, and roof bars. This indicates to thieves that owners regularly use their bikes as a hobby, and tend to invest in a good standard and spec of bike.

Although we live in a very safe and low crime area, we are subject to offences such as burglaries or theft from vehicles. Please note that 50% of all burglaries reported in the East Riding are through insecure doors or windows, likewise over 50 % of cars broken into are insecure or have items of value on show. The crime prevention message is clear - lock it or lose it! Sometimes we get complacent about security, but thieves are opportunists, and will travel into the East Riding, often from Hull looking for easy pickings.

NOT PROTECTIVELY MARKED

LATEST SCAM!! - Don't be caught out!

A fraudster rings you at home claiming to be from your bank or even that they are the police which seems to be the latest ploy, telling you that they think your bank card has been used fraudulently. They suggest you ring your bank to ensure the call is genuine, they manage to stay on the line, so when you use your phone, they answer. They ask you for your account details and you're PIN. They then confirm your card has been used and ask you to package it up and they send a courier to collect it. The courier is often innocent and is just picking up an item and delivering it elsewhere. They then have your card and you're PIN!!

Remember, your bank and the police will **NEVER** ask for your PIN number or ask for your card.

4. Meetings & Events

You are invited to attend any of the below meetings:

Police Surgery. (This is an opportunity for you to meet privately with a member of the neighbourhood team to discuss any policing issue of concern. This is a drop-in event so you may have to wait a few minutes.)

Police and Communities Together Meeting. (This is a public meeting where the police and other public authority representatives will be present. Its main purpose is to determine what the local priorities for action over the next three months will be. It gives members of the public an opportunity to raise their concerns and influence those decisions.)

Street Briefing. (This means that the whole neighbourhood team will be briefed on current problems in the area and tasked to deal with them. The public can meet with the officers and be informed about how they can help with these issues.)

Other Meeting/Event (This will be a place and location that Neighbourhood Team Officers will be present at and you can come and talk should you wish)

The council have decided under a review committee to recommend the abolishment of Community Partnership Meetings. This will be finally decided towards the end of July. Should they go, which seems
