

Woodmansey Parish Council

Tree felling at the Southwood Park play area

Woodmansey Parish Council are organising for some trees at the Southwood Park play area to be felled. This is scheduled to be on :-

Thursday 12th - Friday 13th July 2018

There are 4 poplar trees to the West side of the main play area which have not regrown well from a previous trim and we are concerned they may become dangerous to park users.

We appreciate this is an unusual time to fell trees but the contractor has assured us that there are no issues with birds nesting.

If the dates need to change for some reason, details will be posted on the Parish Council's website at:-

www.woodmanseyparish.co.uk

If you have any questions, please contact the clerk to the Council, Judith Roberts, at
